LOOSE LEAF TEA FROM BREW TEA CO

English Breakfast

A classic loose leaf English Breakfast. It's exactly how a real cup of tea should taste. A perfectly balanced, malty classic.

Earl Grey

A fragrant and citrusy tea to keep you refreshed all day. Ceylon black tea with bergamot oil, orange peel and calendula petals.

Decaffeinated Ceylon

All the flavour. No caffeine. This has a tasty Ceylon as the base and keeps a woody & earthy flavour.

Chai

Mix rolled, whole and malty Assam tea leaves with traditional 'masala' spices - cinnamon, ginger and pepper. It's aromatic, spicy and warming.

Lemon & ginger

A warming mix of spice & citrus. Our Lemon & Ginger loose leaf tea is a fiery combo which has a real kick. A punchy herbal tea.

Moroccan mint

A take on the Moroccan Classic. A strong, robust gunpowder green tea, blended with super-minty peppermint leaves.
